

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. However Sinclair appears to be using its power and vast wealth inappropriately by attempting to air a partisan political statement barely two weeks before an important national election. I believe this is wrong, and that it is illegal.

I ask that you use your authority to stop or at least censure Sinclair for attempting this ethically questionable practice.

Thank you.
